serve as the flagship weapons for our tour of America's past." Noting in the introduction that they are his personal top ten, Kyle anticipates that gun-history buffs will no-doubt agree with some of his choices and disagree with others.

BOOK REVIEW: American Gun - A History of the U.S. in Ten ...

Are gun rights so important, so central to the view of being a free American, that the Second Amendment is thought to cover even situations like this? Clearly, the role of guns in our lives has changed since the right to own them was enshrined in the U.S Constitution, so perhaps the time has arrived to change the way the nation's laws address them.

2nd Amendment: A Complete History of the Right to Bear Arms

The first piece of national gun control legislation was passed on June 26, 1934. The National Firearms Act (NFA) — part of President Franklin Delano Roosevelt's " New Deal for Crime "— was meant to...
