Esoterica: Recent Books on Mysticism

The divine is seen as a keeper of secrets, who deceives and makes sport of humanity, condemning it to suffering through ignorance. In other mystical systems, perceptible reality is regarded not as a deception but as a code that a mystic may learn. Syrian Christian mysticism regards physical phenomena as symbols of higher spiritual realities.

Mysticism - Mysticism and secrecy | Britannica

One of the greatest thinkers of the sixteenth century, alchemist, astrologer, and physician Paracelus stated: "The soul is situated between substance and spirit and in it the lower world converges with the higher world. The mystic who is deeply embedded in his soul realizes the secrets of the world apart from all 'empirical evidence'.

Christ-mysticism was holding the field until God-mysticism was to become possible, which was to be in the near future [p.13]. Schweitzer contrasted Paul's idea of "fellowship with the divine-being through "realistic" dying and rising with Christ" to the 'symbolic' Hellenistic view of becoming like Christ through deification.
