It's disappointing that there's no convenient menu that lets you just browse freebies. Instead, you have to search for your preferred genre, plus the word 'free' (free science fiction, or free history, for example). It works well enough once you know about it, but it's not immediately obvious.

Handbook Of Multicultural Mental Health

The Handbook of Multicultural Mental Health, Second Edition, discusses the impact of cultural, ethnic, and racial variables for the assessment, diagnosis, treatment, service delivery, and development of skills for working with culturally diverse populations. Intended for the mental health practitioner, the book translates research findings into information to be applied in practice.

Mental Health and Tackling Stigma. By admin | May 29, 2017. 0 Comment. The attention publicly devoted to mental illness is far from being matched by properly funded treatment and care. Nor, it seems, has it shaken off an overly long history of cultural shaming and blaming. In this brief contribution I focus in particular on the stigma that ...

Mental Health and Tackling Stigma - Graham Scambler

Designed primarily for staff nurses and students this book will assist anyone working with people living with mental health problems, and their families and carers, including junior doctors, medical students, occupational therapists and social workers. The more experienced clinician will be able to use sections for reference and as a resource for key facts.
