see spelling differences) is the basic rhythmic structure of a verse or lines in verse. Many traditional verse forms prescribe a specific verse metre, or a certain set of metres alternating in a particular order. The study and the actual use of metres and forms of versification are both known as prosody.

## **Metre (poetry) - Wikipedia**

Definition of Meter. Meter is a literary device that works as a structural element in poetry. Essentially, meter is the basic rhythmic structure of a line within a poem or poetic work. Meter functions as a means of imposing a specific number of syllables and emphasis when it comes to a line of poetry that adds to its musicality.

Iambic Tetrameter: It is a type of meter having four iambs per line.

## **Alone Analysis - Literary devices and Poetic devices**

"We Wear the Mask" was written by African American poet and novelist Paul Laurence Dunbar in 1895. Like much of Dunbar's work, "We Wear the Mask" is a reaction to the experience of being black in America in the late 19th century, following the Civil War—a period when life seemed to have improved for black Americans yet in reality was still marked by intense racism and hardship.
