Power Functions | Themes | Official LEGO® Shop US

It is the first-ever lego Battle Bot that actually works. It uses power functions to spin the destructive blade towards lego mini-figs and small structures. I built it because I wanted someone to finally make a power function set that had a destructive flair to it that wouldn't actually destroy the legos itself, but just break things apart.

LEGO IDEAS - Power Functions: Tomb Stone

This time Isogawa has prepared a two-volume set of books called The LEGO Power Functions Idea Book. In a sense the book is a cross between his original LEGO Technic Idea Book and the MINDSTORMS EV3 Idea Book, in the sense that on the one hand the setup of the book is heavily inspired on the former, and like the latter, most builds now also include an inventory of the parts that are necessary to build it.
