Pentagon Map Shows Network of 29 U.S. Bases in Africa

Our work is guided by the U.S. National Security Strategy, the National Military Strategy, and others such as the Presidential Policy Directive for Sub-Saharan Africa and the U.S. Defense Strategic Guidance. As part of a comprehensive approach to complex security challenges in Africa, AFRICOM works closely with African, U.S. interagency, and international partners to develop capabilities necessary to ensure Africans are best able to address regional security challenges.

United States Africa Command

AFRICOM's first commander, General Kip Ward, viewed the U.S. military's role in Africa as part of a "three-pronged" U.S. government approach, with DOD, through AFRICOM, taking the lead on security issues, but playing a supporting role to the Department of State, which conducts diplomacy, and the U.S. Agency for International Development (USAID), which implements development programs.
