Vegas in June is known for drunken thrills and bad decisions, but not for introverted estate planning attorney, Mallory, who doesn't take risks and intends to make partner. She finally gets a chance to show the firm that she has what it takes, when she is assigned the one case she would rather die than work on—a divorce that might end up in court.

Waking up in vegas was a trip like no other! I loved reading as the adventure unfolded as they were in vegas and then the epic love story that took place after! The end was a rush (in the best way possible!) It kept you at the edge of your seat and I couldn't stop reading it. Natasha is my favorite. I just love all of her books.
